

READ BEFORE YOU ENTER:

We provide quality care in a safe environment

ALL PATIENTS AND VISITORS ARE REQUIRED TO BE SCREENED BEFORE ENTERING OUR OFFICE

**Within the past 48 hours have you experienced a fever, cough, sore throat, muscle or body aches, headaches, fatigue or tiredness, shortness of breath, rashes, nausea or stomach ache or digestive/bowel problems?

** Within the past 48 hours have you been exposed to anyone exhibiting any of the above symptoms?

** You can be asymptomatic AND be positive for Covid-19 AND be infectious, so we take no chances when it comes to your health and ours. The existing literature suggests that the incubation period may range from 2 days to closer to a month. www.CDC.GOV gives guidelines, and not necessarily protocols.

If you answered “yes” to any of the above questions, do not enter our office. Please go to your car or to a private area outside our office and call us: Goodman Physical Therapy, Inc 310-441-1102. We can convert your appointment to a Telehealth session at the same time as your scheduled session if needed.

Quality care is our goal in a safe environment. **We are open for business** and will be spacing out our sessions, all of which will be described in the Patient Safety Protocol.

In Health Always,

The Goodman PT Team

PATIENT AND VISITOR SAFETY PROTOCOL:

- 1. YOU MUST HAVE AN APPOINTMENT TO ENTER, AND BE WEARING AN APPROPRIATE FACE COVERING**
*Cloth face coverings with a filter layer insert and at least 2 layers of fabric are more effective. Tightly woven fabric is ideal, breathability, and a proper fit are important. Masks that fall off your nose or hang low on your nose or that require you to fix them often are not acceptable.
- 2. PLEASE KNOCK AT YOUR APPOINTMENT TIME and then STAY A MINIMUM OF 6 FEET TO THE SIDE OF OUR FRONT DOOR AND WAIT FOR US TO COME GET YOU**
*We disinfect and clean our space and prepare ourselves for your visit in between sessions so understand the need for our appointments to run on time. Thanks for helping us with this, and stay in your car or outside of the building if you arrive early. Should you arrive late, please knock and then step away from the door, and for any other arrival issues please call us, and do leave a voice message if we can't pick up the phone.
- 3. HAND WASHING:** We will ask you to wash your hands right before or at your visit. Our bathroom requires a key, and you may request it at the beginning of your appointment.
- 5. ONCE WE GREET YOU, WE WILL TAKE YOUR TEMPERATURE.**
We consider a fever to be 100 degrees F or higher, or feeling warm to the touch, flushed face unrelated to exercise, chills, glassy eyes.
- 6. OTHER SAFETY PROTOCOLS** will be discussed with you by phone and during your visit.

THANK YOU FOR YOUR ATTENTION TO THE ABOVE DETAILS SO WE CAN CONTINUE TO PROVIDE OURSELVES AND YOU WITH THE SAFEST ENVIRONMENT AND HIGHEST QUALITY OF CARE!!!

In Health Always,

The Goodman PT Team
